

Quality Policy

<https://www.siemens.com.my>

We strive to:

- achieve and sustain **compliant and profitable growth** in Siemens Malaysia
- be a **preferred provider** of products, systems, solutions and after market services to all the businesses in Siemens Malaysia
- be a **preferred employer** of repute and be able to attract, develop and maintain a high performance team

By :

- ensuring **continual improvement** of our **quality management system** through operational excellence (innovation, standardization and optimization)
- achieving and exceeding **customer satisfaction**
- empowering employees and acting as '**One Siemens**' team
- ensuring compliance to **applicable requirements**
